CIRCULAR

Subject: Instructions for approved LBI/TBI Projects under ASPIRE Scheme - regarding.

++++++

Secretary (MSME) has laid emphasis on the following for strict compliance of all approved LBI & TBI projects during the meetings of SSC of ASPIRE:-

- i. All the approved LBIs should adhere to timelines of the projects;
- ii. Finalize trades as per capacities of the centres;
- iii. Follow the strict purchase conditions for machineries as per GFR or State Financial Regulations to avoid any irregularities;
- iv. Incubation Centres must ensure that applicants are screened properly before being taken on-board to avoid any non-serious candidates joining the incubation leading to lesser conversion;
- v. Minimum fees may be charged by all the LBIs so that the incubation does not happen free of cost and the centres also become self-sustainable over a period of time;
- vi. Regular uploading of data and progress/inspection report on the web-portal (www.aspiremsme.gov.in) by individual LBIs/TBIs;
